

Fighting Cancer: Dr. Krishnan Suthanthiran's 60-Year Journey

WASHINGTON, DC, USA, August 29, 2025 -- Dr. Krishnan Suthanthiran, President and Founder of TeamBest Global (TBG) and the Best Cure Foundation, will exhibit at the 15th Annual Conference of the Indian Brachytherapy Society (IBSCON), August 29-31, 2025. His company, TeamBest Asia (a TBG company), will showcase Suthanthiran's 60-year journey focusing on the prevention, early detection, and effective treatment of cancer.

Suthanthiran's enterprises are pioneers and innovators of numerous technologies presently in use or planned for use. Currently, his organization manufactures X-ray blood irradiators in India and intends to ship them to customers by the end of this year.

Suthanthiran's father, diagnosed with colon cancer in 1965, suffered for three years while cancer spread throughout his entire body before eventually passing in 1968. This tragic event helped to shape Suthanthiran's primary career goal: to dedicate his life to medicine, specifically cancer research and treatment. His 60-year journey focuses on combating the devastation cancer causes to patients and their families. As part of this mission, TeamBest Asia and TeamBest Global will put in place manufacturing facilities to produce all equipment needed to establish over 1,000 nonprofit Best Cure Pro Health Centers for proactive, preventive, primary, medical, dental, and eyecare wellness centers, and Best Cure nonprofit medical centers, including cancer centers, the first of these will be established in India in the first quarter of 2026.

Suthanthiran also intends to document his life in a future film titled "Cancer: A 60-Year Journey."
